

HEALTH, SAFETY PROGRAM PANDEMIC PROCEDURE

DAILY AM/PM CLEANING CHECK LIST – COVID-19

The amount of time COVID-19 can live on surfaces is still unclear, however, evidence suggests that COVID-19 can live up to several days depending on the type of surface. Enhanced cleaning of public spaces and work places can reduce the likelihood of COVID-19 staying on surfaces. Contact the BHSSA OHS Coordinator for cleaning products and PPE.

Program Name	Month	Team Lead	Notes

Please PRINT your Initials in each box to help ensure the home has been cleaned. Together we can all help lower the associated risks.
